

BAYLOR

AIR HOCKEY

Few games are as exciting to play as air hockey, a game that can be enjoyed by young and old alike. Legacy's stunning 7-foot Baylor Air Hockey table, with its 5x5 inch leg design and clean lines will appease the most discerning eye while offering a top tier play experience.

With its oversized 110-volt, 210 cubic feet per minute blower motor, this table is made to play. Above the play surface, the inner lip is lined with aluminum, adding to the table's durability, speed and looks. The table comes with everything you need including 2 pucks and 2 pushers. Don't forget to order a table tennis conversion top to add to the overall fun of your game room.

Shown in Raven finish.
